Sign up for Paperless Billing today!

With paperless statements, you will receive an e-mail to let you know when you can view your current e-Bill online. Simply sign in to your account online, view your statement electronically and then choose how to pay it. To view and retain a copy of your electronic statement, you must be able to view, save or print documents in PDF format. Once enrolled, you can cancel your paperless billing service at any time. To do so, just uncheck the above selection. I agree to stop receiving my paper statement and receive my utility billing statement electronically only. You may get one more paper statement, but you should stop receiving them by your next Billing Cycle. Customer acknowledges the unreliability of public email and understands they are responsible for making timely payments regardless if the email notifications are received.
